**Required Documentation:** You are required to provide a copy of your Verified-Accredited Wholesale Distributors™ (VAWD™) accreditation certificate with your renewal. Indiana law requires wholesale drug distributors (WDD) of legend drugs maintain accreditation from the NABP® under Section 46, IC 25-26-14-1 et seq. A VAWD application form and instructions can be obtained on the NABP's Web site at [www.nabp.net](http://www.nabp.net).

**Licensure Requirement:** If you are physically shipping legend drugs into or within Indiana, you must be licensed unless you are explicitly excepted out of the licensure requirement by statute (*see below*); as such, any company that does not take physical possession of the legend drugs or is exempted as *referenced below* does not need a license in Indiana. There are no VAWD exemptions in Indiana for companies that are required to hold a WDD license. If you are required to be licensed as a Wholesale Drug Distributor in Indiana, you must be VAWD accredited.

**Licensure Exception:** The following entities are not required to obtain licensure or comply with the requirements of IC 25-26-14: (a) FDA-approved manufacturers that distribute *only* their own products; (b) medical gas manufacturers or distributors, that manufacture or distribute only medical gases; and (c) veterinary supply distributors that distribute legend drugs that are FDA approved for animal use only.
